#### THE RUSTIN MILITARY COLLECTION

The Rustin Military Collection consists of nearly a thousand military books and periodicals collected by Richard E. Rustin during his lifetime. His wife, Ginette Rustin, donated this collection from his estate to the Archive Center and Genealogy Department, Indian River County Main Library, in October 2009 – April 2010.

Richard E. Rustin passed away July, 2008. His wife considered him a genius regarding military history. He was a brilliant writer, a former reporter, manager and assistant chief of the New York news bureau. He edited coverage at the heart of the Wall Street Journal's financial and economic news operations. He served in the U. S. Navy as an officer from 1956 to 1959.

The focus of his collection centered on World War I and World War II. The collection also includes books on the Revolutionary War, Civil War, Mexican War, Korean War, and Viet Nam War, among others. Regimental histories and books of detailed campaigns, military science, military equipment and biography predominate.

The library is very fortunate to have such a magnificent research collection containing many rare, out of print and hard to find volumes. It should be of great interest to anyone exploring military history. To date, the complete collection has been processed and is available to the public in the Genealogy Department. Use the online catalog at <a href="http://www.irclibrary.org">http://www.irclibrary.org</a> or browse the list below.
