

**TOMMY GORE**

**WRECK EXPERT**

Tommy is a Treasure Coast native who started diving on Florida's treasure wrecks as a teenager in the area of his hometown, Ft. Pierce. He worked for the Florida State Bureau of Archaeological Resources as an agent in the field for more than 30 years. He is probably more widely known as a wreck expert in the state, more than any other official. After retirement, he took up his own salvage contract and has run digging operations on the 1715 fleet for 10 years. His book, "The Rainbow Chasers in the great Florida treasure hunt" has been one of the best sellers in the Signum Ops catalog. His books may be purchased on [Amazon.com](https://www.amazon.com).
