

**MARGARET WELLER FOR
BOB "FROGFOOT" WELLER**

SALVOR/AUTHOR

Margaret was born on the island of Trinidad and moved to Venezuela as a child in 1944. After her divorce from her first husband, she moved her and her children to the U.S. in 1965. Margaret started at the Miami Serpentarium in 1967, working her way up to senior tour guide and gift shop manager. During this time in 1969 she took scuba diving lessons. While working at the gift shop she met Bob Weller, who kept asking her out. On their first date Bob took her diving, thinking he would have to teach her everything. He was very surprised when she unloaded her own equipment. Bob was already salvaging by then and Margaret was in for the ride. During her years with Bob, Margaret gained significant experience in staging treasure exhibits and guiding viewers through them.
