On March 22, 2004, The Walter A. Siewert collection was donated to the Indian River County Main Library (IRCL) by the Evans Library, Florida Institute of Technology (FIT) in
Finding Aid to the Walter A. Siewert Collection

Melbourne, Florida with constraints. Agreement was to keep the collection intact and allow researchers access to the collection. If IRCL decides to withdraw the collection, it will be offered without charge to another archive or library that will make it accessible to scholars or researchers without charge.

The Walter A. Siewert family donated this collection to FIT when Professor Gordon A Patterson was researching Fellsmere history. The family later agreed with FIT that it should be returned to Indian River County.

Arrangement

There are a total of (12?) boxes and each are organized into folders by content.

Access

The entire collection is open for research. Gloves and clean hands are required.
